**Subject:** Revision request for DMR for VPDES Permit VA0002071

Good afternoon Mr. Marcell,

Upon review of the DMR for monitoring period January 1, 2016-January 31, 2016 it appears that the units, frequency of analysis, and sample type for Outfalls 001, 003, 004, 007, 008, 009, 010, 201, 202, 502 were not completed. Please provide a hardcopy revision to our office. Also, for Outfall 010, please include the monitoring period and correct those values reported in the *Quality or Concentration Average* instead of the *Quality or Concentration Minimum* (Parameters 004, 090, 137, 145, etc). Please let me know if you have any questions.

Regards,

Amy
